Solid Waste Management Districts

Purpose

These reports include financial and programmatic information and supporting documentation. They are required by state law (IC 13-21-2-13.5) and are submitted to the Department of Local Government Finance. These reports are uploaded (in PDF format) using Gateway, the online submission system and public access site ([learn more about Gateway](#)).

Units Reporting

All solid waste management districts in Indiana are now required to submit a report by February 1 of each year.

Data Collected

- Fund-based financial data
- Expenditures
- Encumbrances (including encumbrance documentation)
- Cash balance
- Fund balance

For more information
